Join Programme Grants for Applied Research national assessment panel

The NIHR is seeking to appoint new members to serve on Programme Grants for Applied Research Sub-Panels. They would welcome applications from methodologists with a strong track record in applied health research. [Find out more here.](#)

They would also welcome applications from members of the public with knowledge and experience of patient and public involvement and with a keen interest in health research. For more information or to apply, please see their [Opportunities for public members](#) page.

Become an NIHR reviewer

Shape NIHR research and improve NHS and public health practice, increase your insight into best practice in health research as well as standards of successful applications for NIHR funding and see and comment on research findings ahead of publication. [Find out more here.](#)

To apply for free RDS NW research design advice, download the [RDS NW advice request form here.](#)
