NIHR Programme Grants for Applied Research - Information Event

24 November 2016 - Manchester

This event will offer an opportunity to gain a greater understanding of the NIHR Programme Grants for Applied Research (PGfAR) funding stream. Registration to these events will be FREE and refreshments will be provided.

Professor Paul Little, Director of the PGfAR programme will be joined by staff from the NIHR Central Commissioning Facility (CCF) and a local PGfAR funding panel member to give a presentation followed by a Q&A session. For more information please visit the [event website](#).

NIHR Research Programmes: Obtaining NIHR funding and the application process

24 January 2017 - Liverpool

The event will provide an overview of the NIHR and its research programmes, make researchers aware of the funding application process, provide hints and tips on how to make a successful application, highlight the support available to you within the NIHR, highlight the importance of considering Patient and Public Involvement (PPI) and submitting a financial cost breakdown, give you an opportunity to discuss individual project ideas with NIHR advisers.

The day will have a particular focus on the NIHR Efficacy and Mechanism Evaluation (EME) Programme, NIHR Health Technology Assessment (HTA) Programme and the NIHR Public Health Research (PHR) Programme.

For more information and to register visit the [event website](#).

For free research design and funding advice, download the [RDS NW advice request form here](#).
