Developing funding proposals in applied health and social care: NIHR funding programmes

1 March 2018, Liverpool - registration now open

This Research Design Service North West (RDS NW) event is for health and social care professionals and researchers in the North West of England who want to develop and submit an application to National Institute for Health Research (NIHR) funding programmes.

Attending the event will help to make your application stronger and increase your chance of getting your research idea funded. To find out more and to register, please visit the [event website here](#).

NIHR Research for Patient Benefit competition 35 has now launched

NIHR Research for Patient Benefit (RfPB) Competition 35 has launched with a submission deadline at 1pm on Wednesday 21 March 2018.

Further information and key dates can be found on the [RfPB webpage here](#). A [Word template of the application form](#) is also available on the RfPB website.

New NIHR mental health themed call launched

The NIHR 2018 Themed Call is 'promotion of good mental health and the prevention or treatment of mental ill health' across the whole life course.

Issues of particular interest include proposals that utilise new digital health technologies, or investigate their effects.
