Got a research idea, not sure how to realise this idea? Advice is on hand

If you have a research idea and you are not sure how to realise this idea, ask the RDS NW for advice. We can provide advice on appropriate funding to carry out the research. We can then advise you on all aspects of the funding application including: formulating the research question, structuring and writing the proposal, research methods and finding collaborators plus much more.

[Apply for advice from the RDS NW here.](#)

Latest RDS blog

Applying for NIHR Fellowships: An Insides View

NIHR Fellowships are all about supporting individuals with the potential to become future leaders in health and social care research. They are prestigious and highly competitive awards!

NIHR Policy Research Programme call for applications

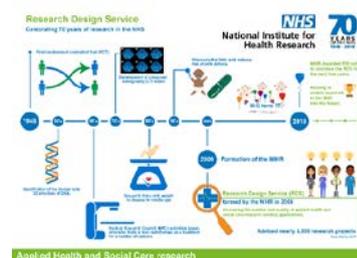

There is still time to apply to the NIHR Policy Research Programme (PRP). The programme invites applications on two topics:

- [Infectious Disease Dynamic Modelling in Health Protection](#)
- [Health Inequalities Research Initiative.](#)

Our #NHS70 video

To celebrate the NHS 70th birthday and in support of NHS70, we have produced a short video highlighting research within the NHS throughout its 70 year history. [Watch the full video here.](#)

Follow the RDS on Twitter @NIHR_RDS and watch more of our videos by searching for #NIHR #RDS.
